

## UPTON COMMUNITY CARE(UCC)

### Improving Lives

On the 19th March UCC received an invitation for three of our members to attend The Pride of Malvern Hills Award evening as UCC had been nominated for an Improving Lives Award.

Overall there was a total of six categories, the others being Cleaner and Greener, Inclusive, Business in The Community, Inspiration Young Person, and Community Project of The Year.

There were three or four nominations in each category, one of the nominations was awarded the Judges Choice and the others all received a Highly Commended Award.

UCC was awarded the Judges Choice in the Improving Lives Award and received a certificate (which will be framed) and a glass plaque both of which will be on display at our AGM on the 3<sup>rd</sup> May for all our members to see and then will hold pride of place in our office.

It was a lovely evening and great to meet so many selfless people who were honoured with an award.

Also congratulations to one of our UCC drivers Jackie Surtees who received the Judges Choice award on behalf of Upton in Bloom in the Cleaner and Greener category; Jackie along with her wonderful team do a great job of making Upton look good all the year round with their many displays of flowers.

To help us live up the Improving Lives award, UCC is always looking for new drivers to support everyone who needs help getting to all types of medical appointments across Worcestershire. Do you have any spare time to help us? if you would like to know more please give us a call (detail below) and I will get back to you.
